Meals on Wheels Coordinator Honored for 20 Years of Service

Honea Path, SC— Etrulia Bell of Honea Path was honored for two decades of service to Meals on Wheels-Anderson at a luncheon hosted by Bethany Church. For the past 20 years, Mrs. Bell has been the Honea Path 3 route coordinator and is responsible for making sure meals are delivered by volunteer drivers on this route. She also drives the route anytime a fill-in is needed.

Mrs. Bell was presented a certificate of appreciation by Executive Director Laurie Ashley. "We cannot begin to thank Etrulia for the valuable service she provides to Meals on Wheels," said Ms. Ashley. "Loyal volunteers like Etrulia enable us to deliver meals each day to nearly 650 people throughout the entire county. We appreciate all our volunteers and thank them for their commitment to ending senior hunger in Anderson County."

Many members of Bethany Church as well as members of several other area churches serve as volunteer drivers for the Honea Path 3 route, which delivers hot meals and friendly hellos each weekday to 13 homebound adults.

Meals on Wheels is seeking additional drivers for the Honea Path area, as well as many other areas of the county. We especially need substitute drivers who could fill in for our regular drivers who will be taking time off for vacation during the summer months. If you would like to find out more about how to help Meals on Wheels, contact Cindy Culbertson at 864-225-6800.
